

# NEWSLETTER, September 2017

Welcome back! We hope you have had a good summer break and are now settled back into the KLS routine. This month's newsletter contains important dates to note, information on new staff, as well as some reminders on school procedures.

## Attendance

Please remember to call the school office **each day** your child or young person is unwell and will be absent from school. There is an answerphone service if you are calling outside of school hours. This is a legal requirement and if we are not notified, an unauthorised mark will be used which could affect your child's attendance percentage. Thank you for your co-operation.

## Illness, Sickness, Germs and Bugs

On the subject of illness, we'll soon be at that time of year where we all succumb to an illness or two. Your cooperation is greatly appreciated in adhering to the following when your young person is unwell:-

- For sickness and diarrhoea, please do not return your young person to school until **48 hours** after the symptoms have completely stopped.
- For fever and temperature, we recommend your young person stays at home until **24 hours** after the fever or temperature has broken.

## School Lunches

The cost of school lunches is now £2.15 per day. Please remember that school lunches must be paid for in advance. Payments can be made via the school or online. Please register at [www.feedinghungryminds.co.uk](http://www.feedinghungryminds.co.uk)

## School Photographs

Our school photographer will be here on **Monday 16<sup>th</sup> October**. Whole school photographs take place throughout the day. Proofs will be returned to you as soon as possible so you can order in time for Christmas. Say cheese!

## 'Flu Vaccinations

Vaccinations against 'flu will take place on **Monday 2<sup>nd</sup> October**. Consent letters have been sent home already. Please return these forms without delay, even if you do not want your young person to have the vaccination.

## School Gateway

If you haven't already done so and have an Android or iPhone, please download this app for the 'School Comms' service. This saves us the cost of a text when we need to communicate urgent news or information to you.

## Transport

If you are collecting your child or young person early from school for any reason, please remember to call the transport team and let them know.

Likewise, if you bring your child to school late, please notify Transport that they will need to be collected at the end of the day as usual. It is always a parent/carer responsibility to do this. Thank you.

## Car Parking

We would kindly remind you to adhere at all times to the Highway Code, paying particular attention to double yellow lines, "keep clear" signs and school zig-zags, as well as avoiding parking on blind bends, even for a short period of time. This will not only help to keep our nearby residents happy but will ensure the safety of our young people too. Thank you for your co-operation.

## Staff News

Please join us in welcoming the many new staff to our team this term:-
