

Kennel Lane School: Provider Access

Introduction

This statement sets out the school's arrangements for managing the access of providers to learners at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All learners in years 8-14 are entitled:

- To find out about appropriate and relevant technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- To hear from a range of local providers about the opportunities they offer, including appropriate and relevant technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- To understand how to make applications for the full range of appropriate and relevant academic and technical courses.

Management of provider access requests Procedure

A provider wishing to request access should contact the School Office on 01344 483872 or via email to secretary@kennellaneschool.com

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers:

Please speak to our Careers Leader Victoria Wilkins to identify the most suitable opportunity for you.

Premises and facilities

Kennel Lane School will make the main hall, classrooms or private meeting rooms available for discussions between the provider and learners, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Resource Centre, which is located in the school library. The Resource Centre is available to all learners
