

### Develop your creativity:

**(3 points)**

- ◆ Watch some of the cartoons involving Miraitowa and Someity – The Tokyo Mascots  
<https://tokyo2020.org/en/special/mascot/> . Write your own story involving the two characters.
- ◆ Design an Olympic Mascot for the Tokyo 2020 Olympics.
- ◆ The Ancient Olympics were held in honour of the God Zeus. Make a model of a Greek Temple in the style of the 'Temple of Zeus' in Olympia.
- ◆ Design your own Olympic Stadium – remember to include a medal

### Get Active!:

**(3 points)**

- ◆ Have a go at an Olympic sport that you have never tried before. Take photographs or video clips.
- ◆ Have a go at trying to beat an Olympic Record. Measure the distances or times and try to beat them.

# prospectus

**This half term's P<sup>OW</sup>er Project is:**

**'The Olympics: From Olympia to Tokyo and beyond'**

**Choose projects to achieve your 5 P<sup>OW</sup>er Points. You can add with your own ideas too! Tick off what you have completed to achieve your points.**

### Explore your mathematical skills:

**(2 points)**

- ◆ Your family want to visit the Olympic Games in Tokyo. Find out how much it would cost to fly there and stay for two weeks.
- ◆ Calculate the distance your family would travel if they visited the destinations for the last 5 Olympic games. How long would it take to fly to each place?
- ◆ Find out about the famous Greek mathematician Pythagoras. Design a poster showing his ideas.

### Research:

**(2 points)**

- ◆ Research a famous athlete from the past or the present day.
- ◆ Find out about a city that has hosted the Olympics in the past. What facilities are still there?
- ◆ Find out about the Ancient Greek Olympics – who would have competed? What sporting events were included?
