- Zone of proximal development
- Difficult conversations

## Pamis

PAMIS has a range of learning and development resources that support inclusion, developing skills and knowledge within those caring and supporting the person with PMLD.

<http://pamis.org.uk/services/training/>

## Purple Mash

Teachers can access the courses in the 'Teachers' area of Purple Mash under 'Professional Development' or in the 'School Closure and Home Learning' area.

<https://training.2simple.com/>

## SEND training

**Provider:** Nasen

**Time:** Nine hours

**Summary:** This CPD course “won’t make you an expert in SEND”, Nasen explain, but “it will help you to recognise your own skills and experience and use them to begin to unpick the needs of learners”.

<https://nasen.org.uk/training-and-cpd/online-learning.html>

## Dyslexia Awareness

**Provider:** Microsoft developed by Made By Dyslexia

**Time:** 1 hour

**Summary:** This course helps teachers understand the strengths dyslexia learners have and the challenges they face in the classroom. It'll offer tips on creating dyslexia-inclusive spaces and suggestions of who teachers can contact when they need more guidance.

Made By Dyslexia is a global charity, and they have recruited two experts (from Millfield School UK and Schenck School USA) to share their expertise in these Microsoft modules.

<https://education.microsoft.com/en-us/course/30a7b5e8/0>

## SEND podcast

**Summary:** A times you can listen live or choose from a selection of episodes (Corona: supporting someone with anxiety, supporting dyslexia in schools, Life at home: supporting children with special needs, Developmental language disorder, Sensory issues and their impact on school life)

<https://www.thesendcast.com/listen-to-the-sendcast/>

## Introduction to sensory Integration difficulties

**Summary:** This course will provide an introduction to sensory integration and processing difficulties. Find out why sensory integration is part of everyone's development and learning and how it is critical to help us all to participate in daily life. Consider a range of sensory strategies and environmental adaptations that can be used to facilitate engagement in activities.

**Time:** 4 hours of content using slides with voice-over, animations, videos, quizzes and many resources to download. You will have 3 months to access the course.

**Cost:** £10 (Please keep proof of payment and this can be reimbursed when we return to school)

<https://www.sensoryintegration.org.uk/page-18679>

## Introduction to sensory Integration difficulties for schools

**Summary:** This course will provide an introduction to sensory integration and processing difficulties in the context of the school environment.

**Time:** 4 hours of content using slides with voice-over, animations, videos, quizzes and many resources to download. You will have 3 months to access the course.

**Cost:** £10 (Please keep proof of payment and this can be reimbursed when we return to school)
