

Welcome to Transition!

It is a big step moving from Primary to Secondary and this year we have even more obstacles caused by the lockdown and social distancing measures. It's definitely an unusual and challenging time at the moment, and we know you and your young person might be feeling especially nervous about the transition into Year 7.

In order to follow the government's guidelines on social distancing, we've had to adjust our arrangements for supporting this year's transition. However, we hope the remote activities that we've planned will help put you and your young person at ease and get them feeling as excited as we are for the new school year.

You will find resources aimed at parents and carers, including the PowerPoint which would usually be shared at the Transition Coffee Morning that will give you essential information about KS3 and the Secondary department. There is also a section for Year 6 learners with information, quizzes and games as well as some welcome messages from some of the current Secondary learners.

There will be many questions that crop up over the coming weeks so please e-mail me with any questions or concerns on alison.barringer@kennellaneschool.com

I really hope to meet you all soon!

Best wishes

Alison
KS3 Lead
Teacher of Bay Class
