

Remote Learning Offer

Kennel Lane aims to provide an ambitious and broad curriculum appropriate to the needs of each learner.

We have a three tier system for the provision of our Remote Learning Offer;

Tier 1	Individual learners self-isolating
Tier 2	Bubble Closure
Tier 3	Full School Closure

If a young person is unwell there is no expectation for them to complete any work set by school.

At Kennel Lane remote learning, where needed, is of a high quality and aligns as closely as possible with in-school provision. Within all tiers teachers will set appropriate work linked to our current curriculum using a variety of resources. In addition, selected learners will be provided with 'Topic Boxes' containing a variety of practical activities rather than paper based and online learning.
