

## Record of 14-19 Accredited and Certified Course Outcomes 2022 - 2023

Learners were entered across the 14-19 Curriculum for a variety of courses that led to accreditation. Some learning programmes require Units and/or Credits to be banked over a longer period of time. The following information details the achievements (outcomes) of our learners as part of our 14-19 Curriculum in the accredited courses for the academic year 2022–2023.

All learners who left Kennel Lane School at the end of the academic year had secured apprenticeships, college placements, jobs or alternative provisions.

**Note**

All units covered with WJEC for the Entry Pathway Qualifications will be banked and/or cashed in during the Autumn Term, this allows learners to work up until the end of the Summer Term to achieve the best outcomes possible.

Attainment in each accredited course is tracked using a tracking spreadsheet. Each year group has a record file where each learner's qualifications are kept and logged.

**Key Stage 5 Leavers' Accreditations**

There were ten Year 14 leavers at the end of the academic year, they achieved accreditations in all their relevant subject areas.

### **Key Stage 5, Year 14, Leavers' Destinations**

All leavers spent a lot of time preparing for their next stage of their education by attending college and placement taster sessions. All learners attained the relevant qualifications they needed for their courses.

<b>Destination</b>	<b>Number of learners attending</b>	<b>Notes</b>
Bracknell and Wokingham College	8	
Brooklands College, Surrey	1	
Langley College	1	
Employment	0	

A continued area for further development is to track the progress of our leavers through our 'Alumni' programme to ensure that their destinations strongly support their career plans.

### **Additional 14-19 Leavers' Accreditations**

There were additional leavers, from Key Stages 4 & 5, from the 14-19 Curriculum Programme of Study during the academic year 2022 - 2023 their reasons for leaving, date they came off roll and destinations are as follows.
